REPORT OF SUPERINTENDENT OF SCHOOLS

To the Citizens of Nottingham:

Nottingham maintains four schools in two buildings as follows:

<i>School</i>	<i>Teacher</i>	<i>Enrollment</i>
Center I-IV	Miss Alta Scruton	18
Center V-VIII	Mrs. Glendle B. Caverly	28
Gebig I-IV	Mrs. Lillian F. Spencer	22
Gebig V-VIII	Mrs. Florence L. Miner	22
Total		90

During last year 104 pupils were registered, including 47 boys and 53 girls entering our schools. Schools were actually in session 356 half-days, with an aggregate attendance of 31,284. The enrollment and average age in years and months for each grade was as follows: 16 first 6-3, 8 second 7-6, 14 third 8-7, 12 fourth 9-8, 11 fifth 10-11, 17 sixth 11-10, 12 seventh 12-8, 10 eighth 13-11. There were 26 pupils between 5 and 8 years of age, 69 8-14, 4 14-16, and 1 16-21. The average attendance was 87.87, average absence 5.62, average membership 93.49, and per cent of attendance 93.98. There were 113 cases of tardiness; but 10 pupils were not absent nor tardy during the year. Forty-seven pupils were transported at district expense. One non-resident pupil attended, while the district paid the tuition of 19 high school pupils outside. Our teachers all hold permanent certificates. The School Board held 10 meetings and made several visits to schools. Other visits included 91 by the superintendent and 116 by citizens.

While the school nurse's examination showed for the most part normal growth in weight and stature, 87 defects were found in weight, vision, structure, teeth, tonsils, breathing or glands, of which only 11 were corrected during the year. Better progress in remedying defects has been achieved during the present year with the co-operation of parents, doctors, and the federal Child Health Recovery Program.

A good and convenient water supply has been restored to the Center School through the installation of a new pump in the village well. The thanks of the district are due to Mr. John Harvey and the Nottingham Fire Department for their co-operation in putting this well in good condition. Attention was also given to the water supply at the Gebig School.

A recent report from Newmarket High School lists eight Nottingham pupils on the Honor Roll for scholarship, indicating that our elementary graduates are doing well in their further schooling. The 300th anniversary of the Boston Latin School (forerunner of the American High school) reminds us that the determination to banish ignorance and inculcate saving knowledge in the rising generation is one of the characteristics of the New England conscience.

Respectfully submitted,

CHESTER W. DOE,

Superintendent of Schools.
